

adoba
eco hotel & suites

TRAVEL WITH A PURPOSE AND CHANGE THE WORLD TODAY.

Why Adoba Eco Hotel & Suites?

Sustainability is critical to the long-term and short-term protection of the world we live in and our business success.

The Adoba Brand offers a game changing approach to design with technical uniformity and LEED construction processes that maximizes value, minimizes time to market and protection of the environment we live in.

The design is cost-effective and offers' first to the industry signature features:

- Adoba Smart Solar Roofing®
- A-Gemini Alternative Wind Energy Solution®,
- A-Gemini Total Technology Property Management Systems®
- Journey Rewards®

At Adoba we are investing into the areas critical for the environment and sustainability of travel for future generations to come.

*The Next-Generation of
Sustainable Hotel
Design.*

**Adoba Brand President/CEO,
Jim Henderson**

At Adoba, launching the first “Green from the Ground-Up” hotel brand is just the beginning; we are dedicated to integrating revolutionary new environmental practices and sustainability principles into all aspects of each hotels business strategy.

Simply put, sustainability is good business and protecting the world we live in.

Our mission is to create a milieu where owner partnerships benefit from the principle that acting as a good steward of the environment is good for business.

**Travel with a Purpose
and Change the World
Today and for Future
Generations of
Travelers.**
